Greenville Savings Bank Announces New Online Business Banking

Greenville, Pennsylvania - July 20, 2020 – Greenville Savings Bank, with three locations in Greenville, Hermitage, and Neshannock, PA, has announced new online business banking services.

These business online banking services include the ability to check account balances, review transactions, view and print cleared checks, transfer funds between accounts and manage bills online. Both business checking and savings accounts are available.

“We are excited to introduce our online business banking services to the businesses in the communities that we serve,” stated Jeffrey Blair, President/CEO. “We saw a large demand for business owners to be able to control their business banking accounts online, so we quickly and efficiently made it happen for them.”

As a hometown financial institution since 1911, Greenville Savings Bank has remained firmly rooted in the communities they serve. They offer checking and savings accounts, personal online banking, mobile banking, as well as online business banking. Greenville Saving Bank is a personal and business loan provider, including mortgage loans, and home equity loans.
